RE: Commission on sale of **123 Sample Street, Sault Ste. Marie, ON**, MLS No. **SM0000000****DIRECTION**

I, **Jane Q. Sample (SAMPLE AGENT)**, a registered real estate salesperson/broker affiliated with **Sample Realty Inc., Brokerage (SAMPLE)** (the "Brokerage"), hereby irrevocably direct the Brokerage to pay the sum of **\$10,200.00** (the "Directed Amount") from my commission earned on the sale of the property municipally known as **123 Sample Street, Sault Ste. Marie, ON** (MLS No. **SM0000000**) directly to **Firm Funds Inc.** (the "Purchaser").

This Direction is irrevocable and may not be revoked, altered, amended, or countermanded by me without the prior written consent of the Purchaser.

I acknowledge that the Brokerage is entitled to deduct a Profit Share from the Directed Amount prior to remittance, as set out in the Brokerage Cooperation Agreement between the Brokerage and the Purchaser. The net amount remitted after such deduction shall constitute compliance with this Direction.

Subject to the Profit Share deduction described above, the Directed Amount shall be paid from the Brokerage's real estate trust account no later than the Payment Due Date, being **July 16, 2026** (7 (7) calendar days following the Expected Closing Date of **July 9, 2026**), by electronic funds transfer to the following account:

Payee	Firm Funds Inc.
Financial Institution	[Firm Funds financial institution]

Transit Number	[transit]
Account Number	[account]

If the commission actually payable to me on this transaction (after the Brokerage's commission split) is less than the Directed Amount, the Brokerage shall pay the full commission amount to the Purchaser, subject to the Profit Share deduction described above. I acknowledge that the difference between the Directed Amount and the amount actually received by the Purchaser, excluding any Profit Share lawfully deducted by the Brokerage under the Brokerage Cooperation Agreement, shall remain my personal obligation to the Purchaser, as set out in Article 5.2 of the Commission Purchase Agreement. Such shortfall shall be charged to my Firm Funds account as a balance owing, and may be deducted from future commission purchase transactions, invoiced separately, or demanded by the Purchaser at any time.

If the Real Estate Transaction does not close for any reason, I acknowledge that: (a) my obligation to repay the full Purchase Price to the Purchaser remains in effect, as set out in Article 5.1 of the Commission Purchase Agreement; and (b) I shall be required to elect a cure method under Article 5.5 of the Commission Purchase Agreement, being either cash repayment or the execution of one or more Remediation IDPs assigning the proceeds of my next eligible commission(s) to the Purchaser until the outstanding balance is satisfied in full. I further acknowledge that a Remediation IDP does not constitute a new commission purchase, and no Purchase Price, Purchase Discount, or Settlement Period Fee will be paid to me in respect of any commission assigned under a Remediation IDP.

BROKERAGE AUTHORIZATION

I acknowledge that the Brokerage has entered into a Brokerage Cooperation Agreement with Firm Funds Inc., under which the Brokerage has agreed to honour Irrevocable Directions to Pay. A copy of this Direction will be provided to the Brokerage upon execution.

SETTLEMENT PERIOD FEE AND LATE PAYMENT INTEREST

I acknowledge that a non-refundable Settlement Period Fee has been included in the calculation of the Purchase Price, covering the 7 (7) calendar day settlement period following the Expected Closing Date (July 9, 2026) during which the Brokerage is required to remit the Commission to the Purchaser.

I further acknowledge that if the Commission has not been received by the Purchaser in full as of the date that is 30 (30) calendar days after the Expected Closing Date (the "Late Interest Accrual Date"), Late Payment Interest shall accrue at the rate of twenty-four percent (24%) per annum, compounded daily on the Purchase Price (including any prior accrued and unpaid interest), and shall be charged to my Firm Funds account. Such interest may be deducted from future commission purchase transactions or invoiced separately. My repayment obligations in the event of non-closing or commission deficiency are governed by the Commission Purchase Agreement.

NOTIFICATION OBLIGATION

I shall immediately notify both the Brokerage and the Purchaser if: (a) the closing date is changed; (b) the transaction is terminated; or (c) any circumstance may prevent or delay closing.

INDEPENDENT LEGAL ADVICE

I acknowledge that I have been advised to obtain independent legal advice. I am executing this Direction freely, voluntarily, and with full knowledge of its contents and legal effect.
